

To Whom it may Concern:

My name is Katherine Davis. I work and live in a the town of Milford, CT. I am a special education at a private school for children with autism. I work with many BCBAs and I am currently in course work to obtain my BCBA certification as well. I think that licensure would greatly help to continue to provide behavioral support by professionals who have had the appropriate training and follow appropriate ethical guidelines. Also, this will provide funding for our consumers through Medicaid making BCBAs mor accessible. Therefore, I support SB 1089, sections 23-29.

Thank you for your time.
